* När tollingjaktproven blev officiella 2007 fanns i regelverket möjligheten för hundar, som t.ex. redan startat i inofficiella tollingprov, att starta direkt i Ökl. Det första året kunde även hundar som startat i Nkl flytta upp till Ökl, utan att ha tagit en 1:a. Efter beslut av SSRK Hs togs denna regel bort efter ett år.

When the official tolling trial rules were implemented in 2007, dogs could start directly in Open class. It was also possibly for a dog that had started in Beginner's class, to move up to Open class without a 1st prize. This was changed by SSRK a year later.

DEL 2 / Part 2. I FALLANDE SKALA / In falling order

Listan omfattar alla hundar som startat på officiella tollingjaktprov i Sverige.
